

Attenborough Class Homework- Term 1- All About Me

Remember	Understand	Apply	Analyse	Create	Evaluate
Practise writing your first and surname. Can you use cursive letters? Remember to start with a CAPITAL LETTER. Try different sizes and colours, pens, pencils etc.	Choose 5 objects in your home. Can you think of 3 adjectives to describe them? Can you put them into a full sentence?	Write a list of your weekly menu. You may like to add smiley faces next to your favourite food and add pictures, photos etc.	Go to the supermarket and find a food that you've never tried before. Write some sentences to tell me your thoughts.	Create a family tree to show me all of the people in your family.	(Completed in Week 6 if chosen) Evaluate your first term in Attenborough class. What have you enjoyed the most? What are you going to try to improve next term?
Create a poster showing me that you can write all of your numbers to 20.	Draw an outline of a body (maybe you could draw around someone?) How many body parts can you label?	Use all of your senses to describe something.....see if I can guess what it is!	Make a map of your garden/bedroom/kitchen (from a birds-eye-view) Try adding a key to show important features.	Create a song or poem about your body. Write it in your book...you may even like to perform it to the class!	Choose a reading book that you have read this term. Write a book review to tell me about your favourite part/character. Is there anything you think the author could change?

Attenborough Class Homework

Term 1 Homework

- Please complete one homework task each week (homework is handed in on a Thursday, marked, and books return home on a Friday).
- Over a Term you should complete one task from each colour of the rainbow above.
- You have a choice of 2 activities for each colour. You only need to complete 1.
- Activities do not need to be completed in order (you may choose to complete a shorter 'Remember' activity when you already have a busy weekend planned!)
- Please colour the correct section on the rainbow to show the activity you have completed....by the end of the term, the rainbow will be complete!
- Each week, in your homework book, please write the date you complete it.
- Next to the date, please colour a small circle to show the colour of your activity choice.
- Under the date, you can evidence your homework in any way you choose. It may be photographs if it is a practical task, a sentence, pictures, number sentences etc. but we do ask that some evidence is provided in books each week.
- In Year 1, this homework is in addition to spellings (weekly) and reading (3+ times per week).
