

Churchill Class Homework

Term 6

Remembering	Understanding	Applying	Analysing	Creating	Evaluation
Recall the skills needed during our forest school sessions. Write and explain why you need these skills.	Research a country of your choice. Look at a country you don't know very well, find out something new!	Recall the symbols needed to draw your own electrical circuit – Then, draw your own simple circuit.	Examine your character in the play. Create a character profile, tell me their likes and dislikes.	Create a costume design for one of the characters in our production.	Compare two pieces of Art from around the world. How are they different? How are they the same? Do you like either of them more? How were they created? What materials were used to create the art?
Use a thesaurus to learn ten new words and write a sentence for each one.	Create a fact file on a tectonic event. Look at a famous Earthquake and write about it.	Create a comic strip explaining the story of story of your choice.	Analyse a song performed live and compare it to the same song that was recorded in a studio. How are they different? Why do you think they sound different?	Create a design for a ticket to our production.	Evaluate the use of electricity. How much do we really depend on it? Can we live without it, or do we vitally need it?

Please choose one homework task each week. Ensure you choose a task from a different column each week to make sure a variety of skills are practiced.

Alongside this homework, you need to practice any spellings/spelling rules for that week, read and practice your times tables.

Once you have completed a task, **colour in the colour on the rainbow** and bring this sheet, along with your homework, in every Monday. Each piece of homework needs to be evidenced in some way so it can be marked.

If you are confused about a task or need some help, please come and ask.
