BULLYING POLICY**

DATE REVIEWED/UPDATED	September 2018
NEXT REVIEW DUE	September 2019

MERSHAM PRIMARY SCHOOL ANTI – BULLYING POLICY

This policy is based on DfE guidance "[Preventing and Tackling Bullying](#)" July 2017 and supporting documents. It also considers the DfE statutory guidance "[Keeping Children Safe in Education](#)" 2018 and '[Sexual violence and sexual harassment between children in schools and colleges](#)' guidance. The setting has also read Childnet's "[Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#)".

1) Objectives of this Policy

This policy outlines what Mersham School will do to prevent and tackle bullying. The policy has been drawn up through the involvement of the whole school community and we are committed to developing an anti-bullying culture whereby no bullying, including between adults or adults and children and young people will be tolerated.

2) Our school ethos:

Mersham school community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

Our school community:

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

3) Definition of bullying

Bullying can be defined as “*behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally*”. (DfE “Preventing and Tackling Bullying”, July 2017)

Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours. This includes the same inappropriate and harmful behaviours expressed via digital devices (cyberbullying) such as the sending of inappropriate messages by phone, text, Instant Messenger, through websites and social media sites and apps, and sending offensive or degrading images by mobile phone or via the internet.

Bullying is recognised by the school as being a form of peer on peer abuse. It can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.

4) Forms of bullying covered by this Policy

Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to physical appearance
- Bullying of young carers, children in care or otherwise related to home circumstances
- Bullying related to physical/mental health conditions

- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The Headteacher/Designated Safeguarding Lead (DSL) or another member of leadership staff will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.

- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.

 - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school searching and confiscation policy. *(Note: Schools should ensure they access the DfE ['Searching, screening and confiscation at school'](#) and [Childnet cyberbullying guidance to ensure that the schools powers are used proportionately and lawfully](#))*
 - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
