

# Ancient Egypt

Ahlberg Class Term 1

Remembering	Understanding	Applying	Analysing	Creating	Evaluation
Recall and practice multiplication and division facts for the 3, 4 and 8 times tables.	Make a fact file about an Ancient Egyptian God.	Imagine you are an Archaeologist on a dig. What do you find? Write a diary entry about your adventure.	Write a description of walking through the streets of Ancient Egypt. Include sounds you would hear, sights you would see. Use all your literacy skills!	Create an Ancient Egyptian board game.	Imagine you are an advisor to the Pharaoh who wants to build a new palace away from the river. Is this a good idea? What would be your recommendation?
Practice the common exception word spellings for year 3/4.	Write five questions that you would ask Tutankhamun.	Write an acrostic poem using the words Ancient Egypt.	Look at holiday brochures or online information to find out about modern day Egypt. Which attractions or cities would you like to visit?	Look at some images of Ancient Egyptian jewellery. Draw your own design. Think about the patterns and colours you use.	Write a reply to a job advert for a position in the Pharaoh's palace. Argue you why you should be chosen for the job.

Please choose one homework task each week. Ensure you choose a task from a different column each week to make sure a variety of skills are practiced.

Once you have completed a task, colour in the colour on the rainbow and bring this sheet, along with your homework, in every Monday. Each piece of homework needs to be evidenced in some way so it can be marked.

Alongside this homework, you need to practice any spellings/spelling rules for that week, read and learn your times tables.

If you are confused about a task or need some help, please come and ask.
