Please choose at least one homework task each week. Ensure you choose a task from a different column each week to make sure a variety of skills are practiced. Once you have completed a task, colour in the colour on the rainbow.

Each piece of homework needs to be evidenced in some way so that it can be marked. Homework is due in on Tuesdays each week and will be returned by Thursday.

Alongside this homework, you need to practice your weekly spellings and learn your times tables. Spellings are tested on a Friday and times tables are tested each Tuesday. Also, please make sure that you are reading at least 3 times a week and record this in your reading record.

If you are confused about a task, need some help or are interested in doing a different task related to our current topic, please come and ask.
